Step 1: Address Block

Senator First Middle Last
Senate Office Building
Washington, DC 20510

Step 2: Salutation

Senator First Middle Last:

Step 3: Your Position including support or opposition, the bill number and official title.

I am writing in support of HR 75: The American Sovereignty Restoration Act of 2013.

Step 4: A very Brief list of your reasons.

I believe US membership in the United Nations threatens our American Way of Life because:

1. The UN Agenda 21 seeks to convert private property to collective property rights.
2. The UN's Small Arms Treaty undermines our Right to Keep and Bear Arms as codified in the 2nd Amendment.
3. The UN's International Criminal Court threatens the Sovereignty of our Court system.
4. The UN seeks to control the world's economy via the IMF, World Bank and World Trade Organization.
5. The UN seeks to cancel Freedom of speech and Press via an Internet Kill Switch.
6. The UN LOST (Law of the Sea) Treaty seeks to control all International Waters.
7. The people of the United States no longer have a voice in our Congress regarding the War powers. The required declaration of War by Congress has been over-ridden by the UN Participation Act.
8. License, perversion, and the corruption of our traditional institutions including marriage & the family are undermined by UN promoted "Rights" to abortion, euthanasia, homosexual unions and traditionally objectionable behavior.

Step 5: Tell your Representative what you want him to do.

Please support HR 75: The American Sovereignty Restoration Act of 2013 when the vote moves to the Senate. Please introduce the same legislation in the Senate.

Step 6: Closing: Leave room for a signature.

Sincerely,
