I am writing in support of SConRes7: A Resolution which directs the President to not sign the UN Arms Treaty, The Senate to not approve the Treaty and removes funding from any implementation of the Treaty unless it is Signed and approved.

Step 4: A very Brief list of your reasons.

This resolution prevents the implementation of the Treaty by the President or his executive offices without consent of the Congress. This treaty is a clear and present danger to the 2nd Amendment and the rights of citizens of the United States to Keep & Bear Arms.

Step 5: Tell your Representative what you want him to do.

Please support SConRes7: A Resolution which OPPOSES The UN Arms Treaty and become a co-sponsor if not already one.

U.N. ARMS TREATY VIOLATES U.S. CONSTITUTION

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, the draft of the U.N. Arms Trade Treaty called ATT is an attempt by Third World countries to control guns worldwide, including personal firearms in the United States. Under the section of "scope," the treaty indicates that the covered items include small arms and light weapons. The language is so broad that nations are expected to track all weapons movements from the time they are manufactured until their destruction. The language is vague so that the treaty could be interpreted to restrict the ability of the U.S. to help arm its allies, like Taiwan and Israel.

The treaty presents a clear and present danger to the Second Amendment of the U.S. Constitution. It allows the U.N. to steal our liberty. It is unbelievable that this administration is even considering signing this document. The Senate should never approve it if the President signs onto it. The President should ignore the treaty because he took an oath to the U.S. Constitution, not to the U.N. charter.

And that's just the way it is.
