Sponsored by local chapters of

In this explosive talk, Alex Newman exposes the insanity that has taken over the public school system. From the sexualization of children and the reshaping of values to deliberate dumbing down, Newman shows how dangerous this threat is, not just to our children, but to the future of faith, family, and freedom. More importantly, he shares what you and every American can do about it.

Alex Newman is an international award-winning journalist, educator, author, and consultant. He is the author of *Deep State: The Invisible Government Behind the Scenes* and co-author of *Crimes of the Educators*. In addition to serving as president of the small media and information consulting firm Liberty Sentinel Media, Inc, he has written for a wide array of publications in the United States and abroad. He currently serves as a senior editor for The New American magazine, a contributor to WND, and more.
